I stand up for the little guys, gals & their kids:

- County retirees whose pensions & benefits are in jeopardy
- Home owning families threatened by foreclosure
- Workers and unions
- Renters

**REPUBLICANS CAN'T SAY THAT.**

I will be a better supervisor than either Republican. At a time of severe budget cuts I will stand up for you. I am a union, blue collar, Democratic activist and I understand the concerns of working families. I am in no-way beholden to corporate interests.

**REPUBLICANS CAN'T SAY THAT.**

End the Republican monopoly in Southern Contra Costa.

Write in **STEVE THOMAS** for Supervisor District 3.

If no candidate receives 50% +1 vote then a run-off between the two highest vote-getters will take place in November at the General Election. I could easily be one of them, so please vote for me.
